

NENUC

Nordic Equine Nutrition Conference

2nd Nordic Equine Nutrition Conference

October 4th – 5th 2008

Grindsted, Denmark

Nutrition and feeding of the performance horse

The organizing committee behind NENUC is once again pleased to invite all veterinarians, nutritionist, trainers and others with interests in equine nutrition and feeding to repeat the success from 2006 and participate in Nordic Equine NUtrition Conference hosted in Denmark.

The conference will take place in October the weekend of the 4th to 5th 2008 at Grindsted Agricultural and Gastronomical Academy in southern Jutland, Denmark.

The topic of this years conference is nutrition and feeding of the equine athlete with special emphasise on feed products, timing the meals for maximum performance and feeding the young athlete.

NENUC target nutritionists, veterinarians, advisers, trainers and others in contact with all aspect of professional and leisure-time horse holds.

The conference aims to communicate Danish and International research results concerning equine nutrition and feeding in an easily understood languish. The participants will obtain insight in the latest know-how about feeding horses and how to implementation the obtained knowledge in horse holds. The scientific programme will focus on three main topics with main reports given by invited speakers.
